

## **ASIAN FISHERIES SOCIETY-KANAZAWA RESEARCH FELLOWSHIP AWARDS TO YOUNG ASIAN SCIENTISTS**

### *The Asian Fisheries Society (AFS) – Kanazawa Research Fellowship*

The AFS is offering awards up to US\$5,000 (research fund) to successful applicants to support their doctoral degree research and present a paper (if applicable) and send a progress report to the Fund's Committee of the ongoing research study.

### *Eligibility for the Grant:*

1. Any student who is undertaking research for his/her/their doctoral degree in any aspect of fisheries and aquaculture is eligible to apply for the grant;
2. The applicant should be from one of the countries in Asia Pasific;
3. The applicant should not be over the age of 35 years; and
4. The applicant should have been registered with one of the Universities in Asia-Pacific and undertaking research in any aspect of fisheries and aquaculture;

### *Application procedures:*

1. Applications are to be submitted in the prescribed format (see attachment);
2. Applications should be accompanied with a brief statement of his/her/their research project not exceeding 3 pages (including objectives, issues to be addressed and expected outcomes) and two references/recommendation letters from his/her/their supervisor(s);
3. The application should be accompanied by a letter from his/her/their Research Supervisor indicating that the Supervisor will supervise the research work and monitor the fund use;
4. The application with attachments should be sent to the Executive Officer, Asian Fisheries Society at Laboratory of Aquatic Animal Health and Therapeutics (AquaHealth), Institute of Bioscience, Universiti Putra Malaysia, 43400 UPM Serdang, Selangor, MALAYSIA, email: [info@asianfisheriessociety.org](mailto:info@asianfisheriessociety.org); and
5. The last date for submission of applications is **27th February 2022**. Applications reaching AFS after **28th February 2022** will not be considered.

### ***Conditions for approval of grant:***

1. Before the grant is released, the successful candidate should submit a letter from the University authorities indicating that the University is willing to monitor the use of grant and will not charge any overheads;
2. The fund will be transferred to the University where the candidate is registered for his/her/their degree;
3. The grant can be utilized for purchase of small equipment or for supplies related to the research;
4. The grant should be utilized within 2 years from the date of release of funds;
5. At the end of project period, the applicant should provide AFS with a detailed statement of expenditure of the grant certified by the University authorities and 3-5 page summary of research achievement(s);
6. The applicant should be willing to acknowledge the research grant received from AFS/Kanazawa endowment in his/her/their dissertation/publication;
7. The awardee should be willing to publish at least one paper from the thesis in the journal Asian Fisheries Science; and
8. The awardee should provide a copy of his/her/their thesis for the AFS library and website.

### ***Action to be taken by AFS:***

1. AFS will announce the availability of the grant through its website and also 13AFAP website <https://13afaf.tw/index.php> by **end of the November 2021**;
2. AFS will constitute a Committee of 3 standing Councilors to judge the applications received and recommend to the Executive Committee the best submission;
3. A final decision on the selection of applicants will be taken by AFS in **end of March 2022** and informed to the candidate for his/her/their agreement to the conditions associated with the grant around **early of the April 2022**; and
4. Award of the grant will be announced at the 13AFAP.
